

ARE YOU CRAFTY?

DO YOU HAVE AN ART THAT YOU WANT TO SHARE and SELL?

GEAR 2024 will feature an artisan area where members and the local community can participate in a craft fair.

The date is October 26th; 9 am to 4 pm – just outside the Davis building. This is **different than the inside offering to members** as this will be an all day show. You will need to provide table and chairs. It will include local artisans, and their following as well as the public. The fee for this is \$85.00.

Those interested can contact Lynn Nelson as LNVB1956@outlook.com; or call/text at 757-651-3589. **The Chair for the members only inside event is Lee Deal – 757-560-1361.**
