The way camping should be.....with friends who become family!

Good morning, Foothills Travelers,

Well shorter days are upon us. Patt and I are early risers so that also makes us early to bed. My body does better moving forward an hour than moving back for an hour. I just wish they would leave it be.

This past weekend, Patt and I were involved in a Walk for Water being held around Swan Lake on the Furman University campus. The walk was a fund

raiser for Water Mission International. We enjoy volunteering for worthy projects. More than \$40,000 was raised for clean water projects.

Don't forget to mail your 2025 dues to Eleanor by the end of the year. Our dues are a bargain at \$15 a year. They include free entertainment (Jerry Clower jokes), first class barbeque, free advice, great newsletters and free companionship.

Did you know?

November is the eleventh and penultimate month of the year in the Julian and Gregorian calendars. Its length is 30 days. November was **the ninth month** of the calendar of Romulus c. 750 BC. November retained its name (from the Latin novem meaning "nine") when January and February were added to the Roman calendar.

**Which is the correct spelling of Veterans Day?**

- a. Veterans Day
- b. Veteran's Day
- c. Veterans' Day

**Veterans Day** (choice a). Veterans Day does not include an apostrophe but does include an "s" at the end of "veterans" because it is not a day that "belongs" to veterans, it is a day for honoring all veterans.

**Our hats are off to all our veterans.**

Stay safe, travel well and always be mindful of others.
